## PROFILE

---

I am a Computer Science Engineering student currently studying in final year. Being a technology enthusiast has pushed me to strive for better harnessing its power to solve impending complex problems in all spheres of the world and also drive innovation. With a passion for learning, I am committed to contributing my skills and creativity to create impactful solutions in the ever-evolving world of technology. My goal is to continuously grow as a professional and make a meaningful impact in the field of technology.
